SHINE

Mühlbauer

shine

Photos by Maria Ziegelböck

Spotlight on, it's time to shine.

It often only requires a little bit of a nudge to step out of the shadows and shine, a tiny ray of light to illuminate everything. The idea of helping this along a bit appealed to the Mühlbauer design team. Which is why this collection sparkles, glitters, shines, shimmers and flickers. And all this while keeping a distance from cheap bling-bling.

Knitted styles are made from shiny metallic yarns and lined with fine, soft merino wool. Skinny scarves wind themselves skilfully around necks. They too glitter in rare colours such as bronze, vinyl and ultraviolet. Even the embroidered Mühlbauer logo sparkles. Felt hats are sprayed with glitter particles that only unfold their effect in the right light. In shadow however, they remain restrained, apparently without airs and graces. There they are joined by hoods, scarf bonnets, scarves and earmuffs – their matt surfaces are captivating. Crumpled felts, washed wool and fluffy fake furs make themselves at home away from the spotlight. Even if they don't sparkle, they shine.

Scheinwerfer an, Zeit zu strahlen.

Oft braucht es nur einen kleinen Schubser, um aus dem Schatten zu treten und zu glänzen, einen winzigen Lichtstrahl, um alles zu erhellen. Die Idee, dabei etwas nachzuhelfen, hat es dem Mühlbauer Design-Team angetan. Daher funkelt, glitzert, strahlt, schimmert und flimmert es in dieser Kollektion. Und das ganz abseits von billigem Bling-Bling.

Strickmodelle werden aus metallisch glänzenden Garnen gefertigt und mit feiner Merinowolle gefüttert. Skinny Scarves schlängeln sich gekonnt um Hälse. Auch sie glitzern in seltenen Farbtönen wie Bronze, Vinyl und Ultraviolett. Selbst das gestickte Mühlbauer-Logo darf funkeln. Filzhüte werden mit Glitzerpartikeln besprayt und entfalten erst im richtigen Licht ihre Wirkung. Im Lichtschatten jedoch bleiben sie verhalten und ohne Allüren. Dort gesellen sie sich zu Kapuzen, Schalhauben, Tüchern und Ohrenschützern, die durch matte Oberflächen bestechen. Geknautschte Filze, gewaschene Wolle und wuschelige Fake Furs machen es sich abseits des Scheinwerferlichtes gemütlich. Auch wenn sie nicht funkeln, strahlen sie.

Tracht

With the word “Tracht” we mean headwear with a visible reference to the particular region, where we come from: from Austria, from the Alps. These hats can be recognised by their specific shapes, colours or decorative elements. For example the ribbon from Aussee (a wide, green silk ribbon), silk or woollen cords, and tufts of chamois hair or feathers that smarten up a hunting hat in the alpine region.

Tracht and its specific hats develop over centuries and differ enormously according to the region; in one area they can be quite different from that of a neighbouring valley. Therefore Tracht offers an almost bottomless well of inspiration for the development of new, contemporary hats referring to Austrian national costume. In the Tracht pieces by Mühlbauer modern has been united with timeless.

Mit „Tracht“ meinen wir Hüte und Kopfbedeckungen, die einen sichtbaren Bezug zu jenem Gebiet haben, aus dem wir kommen: aus Österreich, aus den Alpen. Man erkennt diese Hüte an ihren spezifischen Formen, Farben oder Dekoelementen, etwa am Ausseer Band (ein breites, grünes Seidenband), an den Seiden- oder Wollkordeln, Gamsbärten oder Federn (ein Aufputz für Jagdhüte im alpinen Raum).

Die Tracht und ihre Hüte entwickelten sich über die Jahrhunderte regional sehr unterschiedlich, in einem Landesteil mitunter ganz anders als in der Nachbarregion. Deshalb bietet Tracht ein nahezu unerschöpfliches Reservoir an Inspiration für die Entwicklung neuer, zeitgenössischer Trachtenhüte. In den Trachtenmodellen von Mühlbauer ist beides vereint: das Zeitgemäße und das Zeitlose.

MÜHLBAUER HAT MAKERS SINCE 1903

Every hat is made according to artisan tradition in the Mühlbauer workshop in Vienna. Because we are convinced this produces the very best results. Because the highest quality material and craftsmanship can only be produced by hand. The Mühlbauer hat manufactory combines craft with contemporary design. Klaus Mühlbauer, the fourth generation in his family to create hats, designs the collections in collaboration with designers Nora Berger and Selma Klima. They deliberately seek experimentation in order to consistently create something new. Current affairs and styles are constantly monitored by Mühlbauer as it is all about creating headwear that fits seamlessly into everyday life.

„The fascinating thing about hat making is the creative intervention on the head – the most visible part of the human body. With dexterity, sensitivity and know-how, you can work wonders: style-forming and identity-creating.“ Klaus Mühlbauer

MÜHLBAUER HUTMANUFAKTUR SEIT 1903

Jeder Hut wird nach handwerklicher Tradition in der Mühlbauer-Werkstätte in Wien hergestellt. Und zwar aus voller Überzeugung. Denn beste Qualität bei Material und Verarbeitung kann nur von Hand erzeugt werden. Die Hutmanufaktur Mühlbauer verbindet das Handwerk mit zeitgenössischem Design. Klaus Mühlbauer, Hutmacher in der vierten Familiengeneration, entwirft die Hut-Kollektionen gemeinsam mit den Designerinnen Nora Berger und Selma Klima. Das Experiment wird dabei bewusst gesucht, um konsequent Neues zu schaffen. Mühlbauer hat das Zeitgeschehen im Blick, denn es geht darum, Kopfbedeckungen zu kreieren, die in unseren Alltag und zu unserer Bekleidung passen.

„Das Faszinierende am Hutmachen ist der gestalterische Eingriff am Kopf – der sichtbarsten Stelle des menschlichen Körpers. Bei Anwendung des entsprechenden Fingerspitzengefühls und Knowhows kann man dabei wahre Wunder bewirken: stilbildend und identitätsstiftend.“ Klaus Mühlbauer
