

HAVEN

AUTUMN WINTER 2026/27

Mühlbauer

HAVEN

Herbst Winter 2026/27

Die See rau, der Nebel dicht. Kalte Nässe, die den Weg selbst durch die kleinste Öffnung findet. Der Wind bläst von allen Seiten und nimmt mitunter unberechenbare Stärken an. Ein sicherer Hafen oft nicht in Sicht. Dann ist der Hafen eben da, wo man selbst ist. Innen wie außen.

In dieser Kollektion geht es um Sicherheit, Geborgenheit, um Wärme. Daher die viele Wolle. Merino, Schurwolle, Wollfilz oder feinste japanische Ware. Wasserabweisend, schnell trocknend und richtig warm. Da und dort ein üppiges Fell. Die Hüte tragen gerippte Pullover, wie sie das schon mal in der Kollektion von 2005 gemacht haben.

Die stilistischen Anleihen aus der Seemannskluft sind mehr als gewollt. Klare Linien und Silhouetten geben den Rahmen vor, dazu ein paar unerlässliche maritime Details wie zum Beispiel Bommel. Die sich sowohl auf Hüten als auch auf Mützen finden. Sie verhinderten einst, dass Seeleute sich bei starkem Seegang den Kopf unter Deck stoßen. Und die Mützen enden oberhalb der Ohren, wie es echte Docker-Mützen eben tun.

Die gedeckten Farben der Seefahrt von marineblau, offwhite bis hin zu den unterschiedlichen Grautönen, werden nur durch wenige Signaltöne unterbrochen. Dann dürfen die Kopfbedeckungen auch mal orange oder leuchtend rot sein. Und Streifen dürfen natürlich nicht fehlen.

Haven ist mehr als eine Kollektion. Es ist ein Raum, den man betritt, ein Gefühl, das bleibt, eine Möglichkeit die Welt zu erkunden, während man geborgen in seiner Mitte verweilt.

Autumn Winter 2026/27

Rough sea, thick fog. The smallest cracks are invaded by damp cold. Wind swirls and blows, buffeting, reaching unpredictable strengths. Often a safe haven is not in sight. Then the harbour is simply where you are. Inside as outside.

This collection is about safety, protection and warmth. Hence the abundance of wool. Merino, virgin wool, wool felt and the finest Japanese fibres. Water-repellent, quick-drying and utterly warm and cosy. Here and there, a luxurious fur. The hats wear ribbed jumpers, as they did in the 2005 collection.

The stylistic inspiration from sailor's attire is absolutely intentional. Clear lines and silhouettes set the tone, complemented by essential maritime details such as pom-poms. These can be found on both hats and caps. Once upon a time they prevented sailors from bumping their heads below deck in rough seas. And the caps end above the ears, just like real dockers' caps.

At sea colours are muted, navy blue and off-white to various shades of grey, interrupted by only a few signal tones. Then headwear is occasionally allowed to be orange or bright red. And stripes are a must, of course.

Haven is more than a collection. It is a space you enter, a feeling that lingers, an opportunity to explore the world while remaining safe and secure in its centre.

MÜHLBAUER

Hutmanufaktur

seit 1903

Jeder Hut wird nach handwerklicher Tradition in der Mühlbauer-Werkstätte in Wien hergestellt. Und zwar aus voller Überzeugung. Denn beste Qualität bei Material und Verarbeitung kann nur von Hand erzeugt werden. Die Hutmanufaktur Mühlbauer verbindet das Handwerk mit zeitgenössischem Design. Klaus Mühlbauer, Hutmacher in der vierten Familiengeneration, entwirft die Hut-Kollektionen gemeinsam mit den Designerinnen Nora Berger und Selma Klima. Das Experiment wird dabei bewusst gesucht, um konsequent Neues zu schaffen. Mühlbauer hat das Zeitgeschehen im Blick, denn es geht darum, Kopfbedeckungen zu kreieren, die in unseren Alltag und zu unserer Bekleidung passen. „Das Faszinierende am Hutmachen ist der gestalterische Eingriff am Kopf – der sichtbarsten Stelle des menschlichen Körpers. Bei Anwendung des entsprechenden Fingerspitzengefühls und Knowhows kann man dabei wahre Wunder bewirken: stilbildend und identitätsstiftend.“

Klaus Mühlbauer

MÜHLBAUER

hat makers

since 1903

Every hat is made according to artisan tradition in the Mühlbauer workshop in Vienna. Because we are convinced this produces the very best results. Because the highest quality material and craftsmanship can only be produced by hand. The Mühlbauer hat manufactory combines craft with contemporary design. Klaus Mühlbauer, the fourth generation in his family to create hats, designs the collections in collaboration with designers Nora Berger and Selma Klima. They deliberately seek experimentation in order to consistently create something new. Current affairs and styles are constantly monitored by Mühlbauer as it is all about creating headwear that fits seamlessly into everyday life. „The fascinating thing about hat making is the creative intervention on the head – the most visible part of the human body. With dexterity, sensitivity and know-how, you can work wonders: style-forming and identity-creating.“
