Flower Edit

Blumen sind überall: auf Rasenflächen zwischen Verkehrsinseln, auf Mauern und Fensterbänken, in Pflasterritzen. Sie verziern und verwelken in Vasen, schmücken Knopflöcher, Kappen oder Kopfbedeckungen. Die Kollektion FLOWER EDIT stellt deshalb ein zentrales, manchmal vergessenes Element der klassischen Modisterei in den Fokus: die Blume.

Irgendwann einmal als rein dekoratives Beiwerk verstanden, als Garnitur oder sentimentales Detail, wird sie in dieser Kollektion neu befragt und geformt. Das florale Motiv wird zum Spiel der Bedeutung. Von der angesteckten Blüte zur skulpturalen Geste. Historisch und popkulturell aufgeladen, medial zitiert. In Anlehnung an die Flower-Power-Bewegung der 1960er-Jahre erscheint die Blume hier auch als Symbol für Frieden und Wandel. Erinnerungen wie etwa Bob Dylans Blumenhut fließen mit ein.

Gerade weil sich die Mühlbauer-Kollektionen der letzten Jahre durch eine konsequente Reduktion und minimalistische Haltung gegenüber Dekoration ausgezeichnet haben, erhält diese Auseinandersetzung mit dem floralen Motiv besonderes Gewicht. Man findet Modelle mit Schlaufen oder Taschen, in die sich Gräser, Blätter oder Blüten individuell stecken lassen. Andere tragen fest fixierte, handgefertigte Blüten aus Stroh oder Stoff. Die Blume wird hier nicht zur reinen Zierde, sondern zum konzeptuellen Element: Teil eines Spiels mit Form, Geschichte und Material. FLOWER EDIT ist eine zeitgemäße Auseinandersetzung mit einem klassischen Motiv, eine sanfte Erinnerung daran, was an den Rändern wächst.

Flowers are all around us: peeping up from bits of grass on traffic islands, on walls and windowsills, growing from cracks in the pavement. They decorate and wilt in vases, adorn buttonholes, caps and headwear. The FLOWER EDIT focuses on florals as a central, almost forgotten, element of traditional millinery.

Whereas flowers have been understood as a purely decorative accessory or sentimental detail for headwear in the past, they have been re-examined and reshaped for this collection. Flowers are laden with meaning: from the posy to the grand sculptural gesture. The significance of flowers can be traced throughout history and pop culture. Echoing the Flower Power movement of the 1960s, the flower here too stands for peace and change. Memories of iconic floral statements such as Bob Dylan's flower hat infiltrate the collection.

Precisely because Mühlbauer collections of recent years have been characterised by consequent reduction and a strictly minimalist approach to decoration, this exploration of the floral motif is particularly significant. There are models with loops or pockets into which grasses, leaves or flowers can be individually inserted. Others feature permanently attached, handmade flowers made of straw or fabric. Here, the flower is not purely decorative, but a conceptual element: a playful exploration of form, history and material. FLOWER EDIT is a contemporary exploration of a classic motif, a gentle reminder of where beauty can be found and the endurance of flowers.

Mühlbauer Hutmanufaktur seit 1903

Jeder Hut wird nach handwerklicher Tradition in der Mühlbauer-Werkstätte in Wien hergestellt. Und zwar aus voller Überzeugung. Denn beste Qualität bei Material und Verarbeitung kann nur von Hand erzeugt werden.

Die Hutmanufaktur Mühlbauer verbindet das Handwerk mit zeitgenössischem Design. Klaus Mühlbauer, Hutmacher in der vierten Familiengeneration, entwirft die Hut-Kollektionen gemeinsam mit den Designerinnen Nora Berger und Selma Klima. Das Experiment wird dabei bewusst gesucht, um konsequent Neues zu schaffen. Mühlbauer hat das Zeitgeschehen im Blick, denn es geht darum, Kopfbedeckungen zu kreieren, die in unseren Alltag und zu unserer Bekleidung passen.

„Das Faszinierende am Hutmachen ist der gestalterische Eingriff am Kopf – der sichtbarsten Stelle des menschlichen Körpers. Bei Anwendung des entsprechenden Fingerspitzengefühls und Knowhows kann man dabei wahre Wunder bewirken: stilbildend und identitätsstiftend“, Klaus Mühlbauer.

Mühlbauer Hat makers since 1903

Every hat is made according to artisan tradition in the Mühlbauer workshop in Vienna. Because we are convinced this produces the very best results. Because the highest quality material and craftsmanship can only be produced by hand.

The Mühlbauer hat manufactory combines craft with contemporary design. Klaus Mühlbauer, the fourth generation in his family to create hats, designs the collections in collaboration with designers Nora Berger and Selma Klima. They deliberately seek experimentation in order to consistently create something new. Current affairs and styles are constantly monitored by Mühlbauer as it is all about creating headwear that fits seamlessly into everyday life.

„The fascinating thing about hat making is the creative intervention on the head – the most visible part of the human body. With dexterity, sensitivity and know-how, you can work wonders: style-forming and identity-creating,“ Klaus Mühlbauer.
