Mühlbauer

Souvenir

Frühling Sommer 2027

Das Wesentliche passt am Ende einer Reise selten in einen Koffer (vielleicht auf einen Kopf, aber dazu später). Und doch mögen wir sie, diese kleinen Trophäen, die uns von Orten, Zufällen oder Begegnungen erzählen. Die unsere persönlichen Archive des Erlebten sind. Zugegeben, Souvenirs haben nicht den besten Ruf. Oft sind sie dazu bestimmt, ihr Dasein in Schubladen zu fristen oder den Staubfänger auf Fensterbänken zu geben.

Aber geht das nicht auch anders? Woran erinnern wir uns wirklich? Kann man womöglich bewusst neue Andenken schaffen? Welche Mühlbauer-Modelle sind denn über die Jahrzehnte in Erinnerung geblieben? Welche bleiben, welche dürfen gehen? Der Gang des Mühlbauer-Design-Teams ins Archiv war vorprogrammiert. Da waren sie also wieder, all die Modelle der inzwischen ziemlich großen Mühlbauer-Familie. Die lieb gewonnenen und die längst vergessenen, die Stars und die Mauerblümchen. Der Karl, der Viktor und die Marie In Wien sagt man: So jung kommen wir nicht mehr zusammen. Warum es also nicht nochmal versuchen?

Die besten Modelle wurden für die neue Kollektion üppig mit Abzeichen versehen, mit aufwändig gearbeiteten Patches, die historische Mühlbauer-Logos und Werbeslogans zeigen. So schuf man aus grafischen Relikten textile Souvenirs.

Erinnerungstauglich gestaltet sich auch die Serie „felt & straw“. Hier werden zwei Materialien miteinander vereint, die saisonal meist getrennte Wege gehen: Filz und Stroh. Ein besonders weicher, leichter Filzkopf trifft auf eine geflochtene Strohkrempe. Es entstehen Modelle, die Gegensätze auflösen und von großem handwerklichem Können erzählen.

Ungewöhnliche Material-Paarungen blitzen auch an anderer Stelle der Kollektion auf. Bao wird mit Papierpanama verkuppelt, Spagat mit Raffia und Baumwolle mit Seide. Auch so gegensätzliche Farben wie Schwarz und Weiß werden gekonnt unter einen Hut gebracht. Was bleibt da noch zu sagen?

Liebe Grüße aus Wien!

Spring Summer 2027

At the end of a holiday, the things we want to take home rarely fit into our suitcase (maybe on our head, but more on that later). And yet we love them – the trophies that tell us stories of places, coincidences, or people we've met. They become our personal archive of experiences. Admittedly, souvenirs don't have the best reputation. They're often destined to languish in drawers or gather dust on windowsills.

But isn't there another way? What do we really remember? Is it possible to consciously create new mementos? Which Mühlbauer models refuse to be forgotten despite the passing years? Which ones stay, and which ones can go? The Mühlbauer design team's trip to the archives was inevitable. There they were again - all the models from the rather extensive Mühlbauer family. The ones we've grown fond of and the long-forgotten ones, the stars and the wallflowers. Karl, Viktor, and Marie.... As they say in Vienna: "We'll never be this young again." So why not give them another try?

For this new collection, the most outstanding models were lavishly adorned with badges - elaborately crafted patches featuring historic Mühlbauer logos and advertising slogans. In this way, graphic relics were transformed into textile souvenirs, ready for today's stories.

The "felt & straw" series is also designed to evoke memories. Here, two materials are combined that usually go their separate ways, seasonally divided into winter and summer: felt and straw. A particularly soft, lightweight felt crown meets a woven straw brim. Models uniting opposites and telling tales of great craftsmanship.

Unusual pairings of material pop up in other parts of the collection too. Bao straw is paired with paper panama, spagat straw with raffia and cotton with silk. Opposites on the colour spectrum, such as black and white, are skillfully united – under a hat so to speak. What else remains to be said?

Best wishes from Vienna!

MÜHLBAUER Hutmanufaktur seit 1903

Jeder Hut wird nach handwerklicher Tradition in der Mühlbauer-Werkstätte in Wien hergestellt. Und zwar aus voller Überzeugung. Denn beste Qualität bei Material und Verarbeitung kann nur von Hand erzeugt werden. Die Hutmanufaktur Mühlbauer verbindet das Handwerk mit zeitgenössischem Design. Klaus Mühlbauer, Hutmacher in der vierten Familiengeneration, entwirft die Hut-Kollektionen gemeinsam mit den Designerinnen Nora Berger und Selma Klima. Das Experiment wird dabei bewusst gesucht, um konsequent Neues zu schaffen. Mühlbauer hat das Zeitgeschehen im Blick, denn es geht darum, Kopfbedeckungen zu kreieren, die in unseren Alltag und zu unserer Bekleidung passen. „Das Faszinierende am Hutmachen ist der gestalterische Eingriff am Kopf – der sichtbarsten Stelle des menschlichen Körpers. Bei Anwendung des entsprechenden Fingerspitzengefühls und Knowhows kann man dabei wahre Wunder bewirken: stilbildend und identitätsstiftend.“

MÜHLBAUER hat makers since 1903

Every hat is made according to artisan tradition in the Mühlbauer workshop in Vienna. Because we are convinced this produces the very best results. Because the highest quality material and craftsmanship can only be produced by hand. The Mühlbauer hat manufactory combines craft with contemporary design. Klaus Mühlbauer, the fourth generation in his family to create hats, designs the collections in collaboration with designers Nora Berger and Selma Klima. They deliberately seek experimentation in order to consistently create something new. Current affairs and styles are constantly monitored by Mühlbauer as it is all about creating headwear that fits seamlessly into everyday life. „The fascinating thing about hat making is the creative intervention on the head – the most visible part of the human body. With dexterity, sensitivity and know-how, you can work wonders: style-forming and identity-creating.“
